About Providence Health Care

The Sisters of Providence, of Saint Mary-of-the-Woods, have been part of the Terre Haute community since 1840. In 2012, the Sisters opened Providence Health Care skilled nursing facility to the public.

By 2014 Providence Health Care saw a need in the Wabash Valley, and became the only ventilator capable nursing facility in Southern Indiana. The respiratory unit has since grown to a 10 bed Medicare and Medicaid certified unit.

At PHC we pride ourselves on being a locally run organization with all members of our team working right here in the Wabash Valley.
