Experience the Healing...

WELCOME TO PHC

For over 180 years, the Sisters of Providence have called Terre Haute their home, and their legacy continues to benefit the city in many ways. Established in 2012, Providence Health Care (PHC) is dedicated to providing outstanding healthcare services to the Wabash Valley community and beyond.

At PHC, our primary objective is to ensure that residents and their loved ones have a positive healing experience. We offer a wide range of services, including short-term rehab-to-home, long-term care, assisted living, and outpatient therapy. Our team of highly skilled professionals collaborates to create a personalized plan of care, integrating skilled nursing, rehabilitation, and spiritual support to meet the unique requirements of every patient.

The PHC team is guided by the principles of love, mercy, and justice in all of our services and interactions.

SERVICES

At PHC, our team of skilled professionals is committed to delivering the highest quality of care to our patients. Our 24-hour nursing services and above-average staffing ratios ensure that patients receive round-the-clock support. We offer a range of services, including short-term rehab to home, long-term care, assisted living, and outpatient therapy.

Our therapy program is comprehensive, and includes Physical, Occupational, Speech, and Aquatic therapy. We collaborate with our patients to establish clear goals and employ the most effective treatment methods for each individual.
